

## The Impact of the Corona Pandemic on the Auto Industry and Trade:

Mr. Amjad Saeed, General Manager of SAS, spoke about the current global situation and how the current COVID-19 crisis has affected the auto industry and its trade, its impact on the global market, and how auto companies have responded to the crisis moving forward in the coming months. Mr. Amjad explained how SAS strategized for the current time and future years with the recent transformation of the economy and consumer behavior

## Installment Offers in Baghdad and Basra Through Partnering with 5 Approved Iraqi Banks:

In the pursuit of SAS satisfying all of our customers, we are providing installment offers on SAS cars for residents of Baghdad in cooperation with a large number of Islamic banks in the city

## Annual Service Packages:

As SAS returns to you to provide the best services to our customers, we have launched a new package in mid-August. This package includes annual service packages for Toyota cars that has great advantages and benefits for Toyota car owners in Iraq. Among the most important benefits of the packages are: saving money, integrated periodic maintenance, maintenance reminders, using only genuine Toyota parts, in addition to a warranty on spare parts for up to 6 months or 10,000 km (whichever comes first), and maintaining a high value for your car upon resale. To purchase or inquire, you can visit one of our SAS showrooms or service centers

## Extension of Sales Offers:

After the strong demand from our customers on the sales offers presented by SAS, in cooperation with Toyota Iraq - the exclusive distributor of Toyota cars in Iraq, we have a new opportunity to benefit from. Customers who want to own Toyota cars have until the end of this month to head to one of our showrooms in Iraq to view a wide range of Toyota car models with sales offers available in an effort to satisfy all customers and provide an opportunity for those who did not benefit from the sales offers previously. In addition to receiving a full year of free service for SAS Toyota purchased vehicles we will launch new offers in September.

**Stay tuned !!!**
